

Wear the Wood April 3, 2015

As a witness of our Christian Faith and support for all Christian men, women and children being persecuted and murdered in the Middle East and around the world, please wear a cross and Crucifix publicly for all to see on April 3, 2015, Good Friday so that by our "wearing the wood," the whole world will know that through the Cross of Christ, we possess a new life, and are living witnesses of the power of the cross to change the hearts of all people.

"We adore you Oh Christ and we praise you, because by your holy Cross you have redeemed the world.."
