

CEMETERY OF THE INNOCENTS COMING TO ST. THOMAS MORE!!

St. Thomas More will soon be erecting the Cemetery of the Innocents. It consists of 4000 crosses in silent witness to the horrific tragedy of legalized abortion.

The crosses cover the grass in straight lines in front of and beside of our church, transforming the parish lawn into holy ground and sacred space.

These stark, white crosses represent the number of unborn babies killed in abortions each day in our beloved United States.

Many hands are needed to erect the Cemetery, so please come.

WE NEED YOU!!
