

Science Fair

February 7, 2017

Dear Students and Parents,

The Science Fair projects are finally finished! Thanks for all of your efforts. A special thanks to parents for transportation, guidance, and that final push to get the projects completed. I think everyone can be proud; the projects look good.

The Science Fair will be held on Tuesday, February 7, from 3:00-5:00 p.m. Attendance is mandatory for all seventh and eighth graders. Please fill out the permission form below to allow your child to participate.

Students will call their parents after they have been judged. Parents **MUST** come into Heider Hall (via the back or north entrance of the building) and **SIGN OUT** their student with Miss Melish. Students are not permitted to leave with someone other than a parent *unless they have parental permission and are signed out by that person*. **ALL STUDENTS MUST BE SIGNED OUT BEFORE LEAVING**. This is for their safety.

Thanks again for everything you do to help make our Science Fair a success!

John Grachek and Amy Dugan
Junior High Science Teachers

Science Fair Permission Form (*please print*)

My child _____, has permission to stay after school on Tuesday, February 7, 2017, for Science Fair judging. My child will be picked up by _____. I may be reached by phone at _____.
