Since this is a group event, the STM community will have the opportunity to create the Cincinnati Cyclones Fan Tunnel for the game.

What is the fan tunnel?

16 participants will be selected to join the Cyclones on the ice, prior to the game. You will meet at 7pm and head down to the ice to cheer on your favorite player with a fist bump before they beat the Wheeling Nailers! Game tickets must be purchased to participate.

Want to be a part of the Fan Tunnel? Enter the raffle using the order form below. Raffles tickets are just \$1. Fan tunnel members will be selected and notified on March 10th.
